**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do NOT deregulate. It will stifle competition, reduce access to fast internet, and raise prices. My non-nonprofit relies on fast, affordable internet, and I only get that with the competition that the 1996 Telecommunications Act protects. Competition makes markets work ... we need more of it!
